Dear Parent,

We are so excited that we will have a Girls'/Boys' Basketball Team this year for students in Grades 5-8. We would like to know that parents are committed to consistently getting the girls/boys to their practices and games. If you are willing to make that commitment, please complete and sign the form below:

I give permission for my daughter/son, _____, to be a player on the South Haven Christian School Girls' Basketball Team for the 2010-2011 season. I agree to make every effort to be certain that my daughter/son attends all scheduled practices and games because I understand that his/her participation is essential to all of his/her team members.

I understand that if my daughter/son receives 2 D's or lower on her report card he/she will not be eligible to participate in basketball.

Further, I understand that if my daughter/son is playing on another basketball team, I will be certain that if there are conflicts in scheduling of practices and games, South Haven Christian School will be his/her first priority.
