

STUDENT ATHLETE CODE OF CONDUCT

“A good name is more desirable than great riches, to be esteemed is better than silver or gold.” Proverbs 22:1

I understand that participation on any South Haven Christian School Athletic Team is a privilege and not a right and that my actions reflect not only upon myself but also upon my family, my team and my school.

I realize commitment is needed to participate in athletics, so I commit myself to the athletic program and to my individual team in particular. I will perform the following duties in order to fulfill the contract and show my commitment to the team to the school.

1. I understand that I will not be allowed to participate in any practice/scrimmage/game until all necessary forms are completed filled out and handed in.
2. I will be at every practice – on time and ready (not getting ready). An excused absence from practice includes: Personal illness, death in the family, or a pre-arranged absence. I will personally give notification to the coach if I will be absent.
3. The team will be my number one extra-curricular activity. When conflicts arise, I realize the team comes first.
4. I understand that absenteeism may affect my standing/position with the team and that continued unjustified, unexcused absences would result in suspension from the team.
5. I will show respect to the coach, my team members, officials, opposing players and those in authority over me.
6. I will take appropriate care of all school-issued uniforms and equipment. I will be held financially responsible for damage or loss through negligence at replacement cost.

If I break this contract, the following options may be taken:

1. Sit out portions of games.
2. Suspension from team for one or more games.
3. Public apologies to coach and team.
4. Any other action the coach deems necessary.

“I have read the above and agree to uphold the policies set therein.”
