## Kindergarten Open House

We will be having our annual **Kindergarten Open House** on **Thursday, February 16th**, from **8:30 AM to 6:00 PM**. This will give our Pre-K students and their parents the opportunity to see what they will be learning in Kindergarten next year!

Students will be able to visit the Kindergarten classroom and meet with the teacher. Parents will be able to review the curriculum and discuss the daily classroom routine and ask any questions they might have.

Our Kindergarten students are in class for a full-day. They start learning phonics right away, and they are reading small words by the 24th lesson. They are usually reading small books by Christmas! It is a wonderful program that gives your student a head-start on his/her education!

This Open House will also be open to the general public so if you are planning to enroll your student, we encourage you to do so as soon as possible to be certain there will be a space available in the Kindergarten class.

If you have any questions, please call the school office at 759-5313.

## Early Enrollment Savings!

Now is the time to enroll your student for the coming year so you can take advantage of the savings in the Registration Fee! Right **now until February 13th**, enrollment is **only open to students who are currently enrolled at SHCS and their family members**. The Registration Fee is **reduced by 50%**. This is a savings of \$25.00 if you are enrolling a Pre-School (3) or Pre-K (4) student, or a savings of \$50.00 if you are enrolling a student in Kindergarten through High School!

You can actually take advantage of this savings through March 31, 2012, but we urge you to enroll as early as possible to insure your child's place in his/her class!

Students who are enrolled by February 13th will have their names entered into a drawing for the **Family Fun Game Box** that is on display in the school office window! This box has a variety of games that all members of the family can enjoy. These include: **Jenga, Uno, Apples to Apples, Connect 4 and Trouble**. There are also lots of snacks to munch on and some bottled root beer to drink!

Your child is considered **officially enrolled** when we receive the **completed renewal application and the registration fee**. Please stop by the office and see Carole if you have any questions or need any forms. We look forward to having each and every one of our students back in our SHCS “family”!
