**SPECIAL NOTE TO ALL 5-8 Grade Students: Grade 5-12 will be asked to bring money so we can purchase Texas Instruments scientific calculators for each student. This way all students will have the same calculator with the same function keys – this makes teaching much easier, as different types of calculators work in different ways. We don't anticipate the cost will exceed \$20.00 per student. It is our hope that by purchasing larger quantities of these calculators, we will be able to get a better price per unit. Students will only be charged what the calculator cost the school.**

**Fifth Grade – 12th Grade**

1. Trapper Keeper
2. 6 folders
3. 6 spiral notebooks
4. 3 pocket folders
